To participants in the lender and investor call,

An error was found in the formula calculating year to date free cash flow on slide 7 of the presentation for Viskase lender and investor call. The correction was made and the document updated, which will be distributed via the same channels as the original documents.

The correction is as follows:

(\$million)

YTD EBITDA minus maintenance capital 2014 from 28.8 to 26.8

YTD EBITDA minus total capital 2014 from 24.7 to 22.7

YTD EBITDA minus maintenance capital 2015 from 28.2 to 25.2

YTD EBITDA minus total capital 2015 from 25.2 to 22.2

We apologize for any inconvenience this may have caused.

Best Regards,

John Plescia

Vice President and Chief Financial Officer
